Subject: order these patents
 Date: Sun, 13 Aug 2000 18:26:09 -0500
 From: Amy Atzel <amy@gogopatent.com>
 To: anyone@foo.com

For immediate ordering: for our validity opinion we will need to obtain the stevens patent (3,781,929) also get copies of 3781928 and 3782,844, which came up in a preliminary search. nancy would also like to have clean copies of 3782807, and 37,82801, to attach to her brief.

while you are at it, go ahead and get these too.

- 1 6,041,273 Emergency control aircraft system using thrust modulation
- 2 6,041,019 Fusing contact data for best-estimate solution
- 3 6,040,935 Flexureless multi-stable
